(Machine turned off)

PRESIDENT: ... with the emergency clause attached. That completes Final Reading. Senator Duis, for what purpose do you ask recognition?

SENATOR DUIS: I have a question of the Chair, if I might.

PRESIDENT: Yes sir.

SENATOR DUIS: I'm wondering why we need an 867A. As I noticed in 867 there was an appropriation within the bill itself. So could I ask that question of you, or to the Chairman of the Budget Committee?

PRESIDENT: I don't know. They both passed.

SENATOR DUIS: I'm just wondering whether or not we need to send both bills over?

PRESIDENT: Well they're both passed. Maybe Senator Marvel can tell you privately. Senator DeCamp in the Chamber? Well, we'll see.

CLERK: ... motion pending on LB 265. On page 1474 of the Journal. The motion is to return it to Select File for specific amendment. Signed, Senator DeCamp. No action was taken on the motion to return. (Read motion found on page 1474 of the Journal).
